## JOYCE & LEE

JASPER, MO.

### FOR A NEW COUNTY JAIL.

MOVEMENT STARTED TO ERECT A  
\$40,000 STRUCTURE.

Jasper Citizens Will Be Asked To  
Sign A Petition Asking A Vote  
On The Question.

The citizens of Jasper, it is said, will be called upon in a few days to sign a petition to the county court, asking that body to levy an additional assessment of ten cents on the one hundred dollar valuation for the purpose of building a new \$40,000 jail at the county seat.

According to the Missouri statutes, a petition signed by 100 taxpayers of a county praying for an election of this kind must be granted by the county court and as the county court, it is said, has as such a plan, the petition for the election will be readily circulated this week.

Jasper county now has an assessed valuation of \$2,000,000, or will have next year according to the estimate. A ten cent levy would build a \$40,000 jail and pay for it in two years. With so large a valuation and an opportunity for so speedily wiping out the cost, the court thinks the levy a better business proposition than issuing bonds.

Following is the petition:

"To the honorable judges of the county court of Jasper county Missouri, greeting.

"Whereas, Jasper county is today one of the greatest and most progressive counties in the state of Missouri, and,

"Whereas, the population of said Jasper county is at present rated at about one hundred thousand inhabitants, with an assessment of wealth correspondingly great, and

"Whereas, the present county jail now located in the city of Carthage is of ancient style in arrangement and construction, is unsafe and unhealthy, and not fit for the lawful restraint of prisoners, and

"Whereas, said county jail has repeatedly been examined by those having authority to do so, and condemned as

being unfit, unsafe, unhealthy, unsanitary and inadequate, and

"Whereas, the recent rapid growth of said county of Jasper, carrying with it necessarily a large increase of criminals far exceeding the capacity of the present county jail, and

"Whereas, the law contemplates humane treatment on the part of the people toward those in confinement charged with crime, a thing impractical under the present conditions in the county jail, and

"Whereas, under present conditions, inmates of all grades and classes and infected with the maladies of all grades are of necessity crowded together in small and poorly arranged cells with insufficient ventilation and sanitation, and

"Whereas, the erection of a new county jail has now become a necessity for Jasper county,

Now, therefore, We the undersigned qualified voters and resident taxpayers of Jasper county Missouri pray your honorable body to call an election to be held for the purpose of submitting to the qualified voters of said county a proposition to authorize the incurrence of an indebtedness to be created for the purpose of erecting a new jail for Jasper county, to be erected at the county seat, costing \$40,000 and to make a tax levy of 10 cents on the \$100 valuation to pay for same and for such orders by your honorable body as may be necessary in the premises, and for which your petitioners will ever pray."

### SUFFERING FROM A DOG BITE.

Mr Bottom Bitten By An Arkansas Dog.

Mr. Bottom the feed store man is suffering a great deal with a very sore leg resulting from a dog bite. He was bitten by the dog last week while on a visit in Arkansas. He went to call on an old friend and while he was talking a shepherd dog ran up behind him and snapped him on one of his legs. The teeth barely passed through the skin and Mr Bottom thought nothing of it at the time. It gave him no trouble until after he came home when inflammation set in and the injury has been getting worse ever since. It is feared now that blood poison might set in but it is hoped that this can be prevented.

### AT MISS FRICK'S.

Magnificent Display And Good Music.

One of the most successful Millinery Openings ever held in Jasper was that held at Miss Ada Frick's Millinery Emporium on last Saturday.

The room was a veritable green-house being beautifully decorated with potted plants, vines and goldenrod. A bank of flowers was tastefully arranged in the rear of the store behind which was discoursed sweet music throughout the day.

The windows were especially attractive, one being in black the other in green. Many were the compliments passed on the beautiful display of pattern and dress hats and when the quality, style and neatness of work is considered they cannot be surpassed in many towns of much larger size.

Miss Frick was ably assisted by Miss Bertha Miller of Kansas City, whose work has already won the admiration of the public. Also the Misses Carrie Cather, Lena Little and Bertha Jones. Anyone needing anything in the millinery line cannot make a mistake by going to Miss Frick's.

Clarence Lowe Falls From A Tree.

Clarence Lowe, the little son of Mr. and Mrs. Allison Lowe, fell from a tree while playing at the home of his grandfather Wm Rice on east Grand Avenue Tuesday evening, and broke his arm. It was an unusually bad injury as both bones of the arm were broken and the broken bones protruded through the flesh.

Her Millinery Display Drew A Large Crowd.

Mrs. C. E. Campbell held her fall millinery display last Saturday and she pronounced it a very successful occasion. Her store was beautifully decorated in a way to show off her new line of fall and winter hats to a good advantage. The front windows were especially beautifully decorated, in the west window showing the newest shades in blues and in the east window being shaded ribbons in green and brown.

Miss Fagan of Carthage and her stringed orchestra composed of Meses Lela Pence and Jennette and Mr. Raymond Whitfield discoursed sweet music from 1 till 9 o'clock, which added much to the occasion. Mrs. Campbell was ably assisted by her trimmer Mrs. Flora Pitts and Mrs. Dr. Hendricks. Misses Preston, Mary Rex, Mable Hughes and Lillian Foster. The sales were entirely satisfactory and the visiting ladies seemed to be well pleased with the display.

### FOR A JASPER ROBBERY.

Two Fellows Arrested At Lamar On Suspicion.

Two tramps were arrested at Lamar last week on suspicion that they had robbed the depot at this place concerning which the Sentinel has the following:

Two bums, who gave their names as Joe Davis and Irvin Beng were arrested Sunday night by Sheriff Slavens and Marshal McLaughlin. The marshals received a phone message from Jasper along in the evening that the depot at that place had been broken into and it was thought the thieves were headed this way. The marshal expected to find big game and asked the sheriff to assist him in rounding up the thieves. The officers reached the Pacific yards and found Davis and Beng in a box car. As the fellows could not give a very good account of themselves they were locked up for investigation. On being searched a jimmy and some other tools used by burglars were found on them. Monday a charge of vagrancy was placed against them and upon arraignment before Judge Ward each entered a plea of guilty and were given the minimum fine of \$20 and costs. This means that they will do labor on the streets to the value of the amount. In the meantime their connection with the Jasper robbery will be investigated.
